Welcome

We know that you will enjoy Lake Lorelei more and more as you become acquainted with the residents and activities at the Lake.

LLPOA ORIENTATION PACKET

The accompanying packet contains a variety of information which we think might be helpful to you. If you have any questions or need suggestions about the area, please, contact the Office for assistance, 513-875-3435.

This is your community and, as we rely heavily on volunteerism, it is important that you become an active member in its activities. There are a number of committees that will welcome you as a member so think about joining to meet your neighbors and have some fun while helping to make this community thrive.

There are regularly scheduled Board Meetings, Town Meetings, and an Annual Meeting. You are encouraged to attend and to voice your opinions.

Lake Lorelei was incorporated in April 1967 and is solely owned by the Lake Lorelei Property Owners Association. The subdivision covers just over 1,118 acres of which 197 acres are the 3 lakes. Use of the lakes and facilities are restricted to members in good standing and their guests.

The Marina, also known as Fisherman's Wharf, is handy for gasoline, bait, and staples. There is a launch ramp, a fishing pier for the handicapped, public restrooms, and picnic tables located nearby. Additionally, there are several public access areas for picnicking and fishing scattered throughout the complex.

The Clubhouse, available to all association members in good standing and their guests, is located about midway on the Lake's west side. The Lake Lorelei Restaurant is located in the Clubhouse with seasonally adjusted hours. Most Lake activities are held in the large main room of the Clubhouse, and can be reserved for private parties.
