mandate)

Town Hall ZOOM Meeting!

A special "State of the Lake" presentation will be held by the BOT, via **Zoom** for all members of LLPOA **on November 12, at 6:00 pm.**

As everyone knows, due to Covid 19, the board has had to cancel our Spring and Town Hall meetings. That said, our work has continued this year and there are many items we are interested in sharing with the community. Join us on **November 12**, for a special presentation highlighting the activities undertaken this year, the current financial condition of the association, and an update on the several major projects underway and in planning.

You should have received instructions via email on how to use Zoom. If not, contact the Lake Office immediately.

Next Issue Adv/Copy Due: December 16, 2020

Board of Trustees - President's Report

Mike Hopkins, President BOT

What a year! We started out in March with Covid-19 and if that wasn't bad enough, in April we had a tornado cut across our community. We also lost our assistant member coordinator to a family emergency in July and our general manager resigned in August.

But it's not all gloom and doom. Lake Lorelei is strong and resilient. Our Association has met 2020 head on and not only overcome the challenges placed in front of us, but has continued to improve our beautiful lake neighborhood.

Thanks, to all our volunteers, employees and trustees who made this happen. I would like to give special thanks to **RICK HOSEA** and **KATHRYN GREENE** for all the hours they have volunteered to keep the office functioning and our member coordinator Kevin Keister who has gone above and beyond in his service to our membership during this transition period.

We have hired a new administrative assistant, **SHANNON TAYLOR** and a new general manager, **ROB PELFREY**. Please welcome them when you come to the office. They are here to serve you.

I would also like to encourage everyone to contribute to our employee's Christmas fund. Show your love for these people who are mostly part time and do work hard for you.

By the time you read this we should have a new and improved gate system in place. See more information on page 10 of this issue.

The Board is planning to have a community-wide Zoom meeting in November to address members' concerns. A Blast email will have been sent to all members.

We are also in the process of finalizing our plans for the rehabilitation of the spillway bridge and hope to get ODNR's approval to replace the post and cable system over the dam with a guardrail system. The projected start date for these two projects is February, 2021.

The Board is also planning on presenting a new approach to funding the much needed dredging project next year.

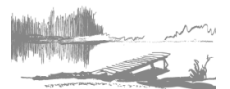

Your Board of Trustees and employees wishes everyone a Bountiful Thanksgiving, a Merry Christmas and for sure, a great New Year.

Contact the entire Board of Trustees with one email address:
board.trustees@lakeloreleiohio.com

ATTENTION:

- The Lake Valve will be opened on or about November 15, 2020.
- The lake level will be decreased to winter pool until Mid-February, 2021.

Water Quality Committee Report

Chuck Farmer, Chair

The following are the results of Water Quality testing over the summer of 2020. No results were high enough to post warnings.

E coli tests were done twice a month in June, July and August with the following count per 100ml where 235 cfu (colony forming units per 100 ml of sample) rise to warning level.

Date	East Beach	Main Beach North	Main Beach South
6/10/20	62	52	31
6/24/20	73	20	<10
7/8/20	<10	<10	10
7/22/20	41	<10	10
8/5/20	<10	<10	10
8/19/20	10	20	41

Algae blooms in June and July became a concern and samples were taken to test labs.

Chris Nietch of the US EPA had a sample analyzed for type at no cost to LLPOA, with a high abundance of Dolichospermum and Microcystis aeruginosa. Both are known toxin producers. Further testing was done to check on Microcystis, the most prevalent algae in Ohio waters.

Continued from page 6

On June 30th, a hand carried sample was taken to the Celina Water Department Laboratory with the results received the next day of 1.7 parts per billion ,6 parts per billion being the warning level.

A second sample was taken on July 8th and sent to BSA Environmental Services in Cleveland with the results received on July 10th, of 3.4 part per billion.

The BOT was kept advised during the above testing procedures as they and the committee were concerned about the algae blooms, and pictures were put on Facebook so members could see what to look for when going into the water.

As a result of close monitoring and weather conditions, there were no other tests done for toxic algae for the rest of the summer .

Dissolved oxygen and water clarity testing were also done on a monthly basis starting in April and continuing through November. Clarity testing went from 49" in May to 12" in August due to high algae concentrations in the water column. September has seen the usual increase in clarity due to water temps going back down with cooler weather. Highest water temp measured on June 20th, was 86.4F and dissolved oxygen levels were very high at all depths measured due to high concentrations of algae in the water column.

All test results can be seen at the LLPOA office in the Water Quality folder. Our monthly meetings will start up again on the first Monday of the month, March 2021 at the club house or pavilion, at 6pm.

Shaggy to Chic mobile pet grooming is a new, up-and-coming business servicing your area. With 13 years of experience, I am now bringing my business to you. We provide all the services you will ever need to get your dog or cat looking and smelling great! Save the time and money of taking your pet to the salon and let our business make your life easier by servicing your pet right in your driveway. Lake Office Update - Security Gate

Rick Connors, Trustee

Our new gates will be operable here in the upcoming days. Current information is:

- The bar code lane will function as it did previously, utilizing your current bar code on your vehicle. You may notice a slight difference with bar code recognition and an increase in the speed of the gate opening.
- The guest lane and phone pedestal will have some upgraded changes and enhancements.
 - The **4-digit code** that a guest entered at the pedestal to call the lot owner's phone **WILL NOT FUNCTION** with this new system.
 - All the names listed on the pedestal keypad from the previous system have been transferred to the new one. When a guest arrives at the keypad, they will begin to type in the lot owner's name which will then appear on the screen. When the guest presses the owner's name, the keypad will call the phone # that is listed. The owner can then communicate through the pedestal with the guest, and can also press the 9 key on their phone and the guest gate will open.
 - Once the gates are fully functional, we can add an email to the lot owners' names which will give them access to a smartphone app connected to the gates. This app will allow the owner to see who is at the gate and communicate directly with them. This service is in the near future, but not available at this time.
 - There will also be a record/video of everyone trying to enter as they use the keypad.
 - We will continue to have our security staff working the same hours they did previously to help assist visitors at the gate.
 - We anticipate this new gate transition to go smoothly, with as little inconvenience as possible for all of us.
- The office will be reaching out to all owners in the near future so that the gate enhancements can be added including the app on your phone and to correct names and numbers on the pedestal.
- This new system should help to keep unauthorized people from entering our community.
- In addition, we have installed a new camera system at the gates that gives us the opportunity to review any suspicious activities at any time. All gate crashers will be held accountable.

Did You Know...

An anonymous donor has been giving the lake \$500 each year, for the past six years to replace our flags at the front of the lake? This person does it to honor a brother who fought in Vietnam.

-Thank you both for your patriotism and service.

Women's Club Report

Jane Wyman, President

In September, new officers were installed in the pavilion by **GERRY HARNES**: President - **JANE WYMAN**; Vice President - **LINDA HOUSEWORTH**; Secretary - **DEBORAH OSBORNE**; Treasurer - **TERRI WOLFER**. **IRMA DIVINE** was thanked for her service to the club as President over the past two years.

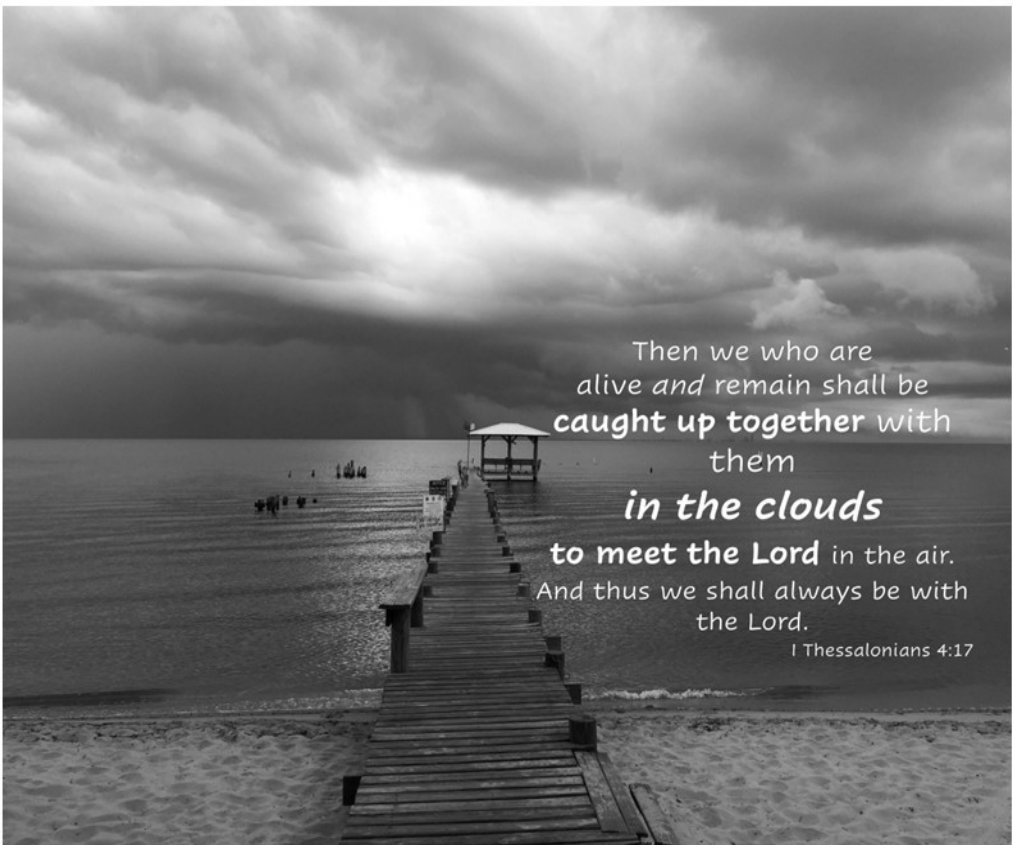

We met in October at the pavilion and a box dinner was provided thanks to **MARILYN WILLIAMS**. Committee sign-up sheets were completed.

Projects were discussed and the following was decided or completed:

- ♦ Backpacks - **Deborah Osborne** got the backpacks and **PATTY PACK** had all contents collected. Members got together to tie up the blankets and assemble the backpacks for boys and girls. They were delivered to the Brown County Child Services Office to be used when children are placed in Foster Care. Items included were a fleece blanket, a reading book, a notebook, a coloring book, crayons, pencils, markers, a toothbrush and toothpaste, tissues, a scarf and stuffed animal. These ladies know how to pack!
- ♦ Food Drive for Hope - is tentatively scheduled for mid-November, and will be collected on a designated day at the pavilion. Non-perishable food and personal care items (i.e deodorant, soap, tooth paste, depends, shampoo etc) are requested from **ALL LAKE MEMBERS** and will be promoted very soon. See Facebook or contact a WC member for details.

- ♦ Easter Baskets - members voted to assemble them for Hope Emergency to distribute next Spring.
- ♦ Plant Sale - **LAKE LORELEI DAY** at John's Flowers is now scheduled for Saturday, **May 15, 2021** (Mark your calendar!).
- ♦ 2021 Spring Yard Sale - we are hoping to organize and run it, if COVID permits.

New fund raisers were discussed and selling LL masks was a suggestion. **CHRIS BEHM** is investigating this project at this time.

BARBARA SIEGEL was named the 2020 Honorary Life Member. Congratulations Barbara!

Terri Wolfer is still collecting **dues**, so if you haven't paid, please do soon as we would like to make sure that your name gets into the Yearbook. Contact Terri or drop off your dues at the Lake Office (remember to Identify yourself and the organization).

Linda Houseworth announced that she would be moving so she will no longer be Vice President. Patty Pack volunteered to replace Linda. We wish Linda the best in her new home.

Wishing you all a happy and healthy Thanksgiving and Christmas season!

To all my Lake Lorelei Friends & Neighbors

The holidays are just around the corner!

Merry Christmas to you and yours

Enjoy the Season with Family and Friends

Thank you to all who have put your trust in me.

2020 has certainly been a challenging year for us all, and I hope this holiday season finds you and your friends and family in good health.

I look forward to 'life returning to normal' for us all, and I look very forward to seeing you again in 2021.

I believe our future is bright, fruitful and positive and I wish you all a joyous holiday season and a wonderful 2021.

PRIDE Committee Update

T.J. Jackson and Amy Wohleber, Directors

Our PRIDE Committee ended the season with a BANG! After freshening up the beaches, our focus moved to staining benches and picnic tables in the common areas and to painting posts along the roads and in the parking lots. We made a serious dent in this project, but there is still more to be done, so you will see us at it again as soon as Spring rolls back around (only 151 more days to go as I write this). A huge THANKS! to everyone who pitched in and helped with these projects, donating supplies and donating their time. Many hands *do* make for light work, but even more so, it was heartwarming to see so many different people come out and join the effort, taking pride in our community here at Lake Lorelei. We hope to see this pool of volunteers continue to grow in the future.

Another project underway is the **yearly calendar fundraiser**. Once again, **BILL HERDMAN** is leading the way. Like last year, calendars will be mailed out to all members in December and we're once again asking for a **\$10** donation. Of course, any amount will be appreciated and details on how to submit your donation will be included in the mailing. This calendar continues to be our only fundraiser, so we really do depend on its success to cover the expenses of our projects around the community. Thank you in advance for your generosity!

Thanks to everyone who submitted photos for the **PRIDE Calendar Photo Contest**. We have some great photographers here at the lake! We did manage to narrow it down to a winner... Congratulations to **PAM HASKELL**! You are this year's photo contest winner! Don't forget to claim your prize – a PRIDE installed mailbox – by contacting Jon Riehle at jonathanriehle@yahoo.com. Keep taking those great photos so we have them for next year's PRIDE calendar.

JEFF MCGEE is being recognized with the **Bill Herdman Award** for his stellar PRIDE spirit by continually supporting and leading improvement projects for the Lake Lorelei Community. Over the past few years, Jeff has been an active member of the Shoreline Committee, the Water Quality Committee, and supported many other improvement initiatives within the Lakes Committee. Jeff is also a past Director on the PRIDE Committee and played a leading role in the restoration of the Cabanas, procuring and placing many new picnics tables, installing new benches in the common areas, performing improvements at the beaches, and assisting with the installation of the new disc golf course.

Jeff has been an asset to this community since his arrival a few years ago. His helpful attitude and willingness to volunteer his time and encourage other volunteers, with the goal of beautifying the Lake Lorelei Community, exemplify the meaning and make him worthy of receiving the Bill Herdman Award for 2020. Thanks for all you do, Jeff. **Git R Done!**

Our final meeting of 2020 will be in November and we'll resume meeting again in February of 2021. We always meet on the second Monday of the month at 7:00 p.m. in the Clubhouse (or Pavilion). We hope you will join us. If you have any questions about our committee or if you have any suggestions for things you'd like to see done around our community, please contact our Chairman, Jon Riehle, at jonathanriehle@yahoo.com.

The Legend Looks Back

November / December issues

1970 – the only newsletter archived for 1970 was the January/February issue.

1980

- The Board of Trustees voted to issue a ballot vote for a dues increase to \$125.00 starting in 1982, with subsequent annual increases tied to the Consumer Price Index. Ballots were to be mailed by December 26th.
- The Activities Committee reported that after a two-year loan of the organ (from Mr. & Mrs. Loren Rawlins) to the clubhouse, they were in a position to purchase a new one.
- The November Country & Western Dance was a success. More will be planned.
- 120 members and guests attended the Community Thanksgiving Dinner on Nov. 27 at 3 PM. Six large turkeys were fully consumed.
- The New Year's Eve dance was being advertised with music by the band 'Smokin' for \$15.00 per couple.
- The new Editor of the then-called "Lake Lorelei Booster", Susan Spradlin, wrote that she and the staff wanted to include community events in the newsletter.
- A pay telephone was installed near the guardhouse for members' convenience (ask a teenager what that is!).
- "For Sale": items in the issue included a 40-channel CB Radio and an 8-person poker table including ashtrays and cover.

1990

- The President's (Ed Fuhrman) report topics included:
 - ◆ A marked increase in mailbox vandalism was noted.
 - ◆ Aquatics Unlimited was commissioned to analyze and report on dredging; a partial engineering report was submitted to the board, addressing storage of the dredged material on lake property.
 - ◆ A new committee was formed to liaison with township, county and state offices, called the Civic Committee.
- Article II of the Code of Regulations was revised and published by the Code Committee.
- The Activities Committee's plans for the New Year included a Pot Luck Dinner in January, a Chili Cook-off in February and a St. Patrick's Day Dance in March.
- Women's Club decorated the Clubhouse on December 6, and hosted a "Tree Lighting" party on December 9, with finger foods donated and a singing group performance.

CINCY FLAT FEE, LLC

www.cincyflatfee.com (513)233-4000

WHO ARE WE?

Cincy Flat Fee, LLC is a full service real estate company. We offer the highest level of professional service available today to help you buy and sell your home. Our Realtors are highly trained and will work with you through every step of the process.

There is one BIG difference - PRICING Over the past decade or so the internet has completely changed the home buying/selling experience. Now your home can be marketed on hundreds websites with one click of a mouse, signatures can be done electronically, mobile phones give instant information to potential buyers, etc. All of these advancements save real estate agents time and therefore money. Cincy Flat Fee, LLC has simply decided to pass those saving onto you by charging a \$1,500 flat fee for every home we sell. It doesn't matter if your home sells for \$100K or \$1M you will pay us \$1,500 saving you thousands!

Chuck Fisher

Lake Lorelei Resident

(513)617-0941

2000

The Legend of Lorelei

- This issue detailed the many events and accomplishments for the past year and season:
 - ◆ A new committee was formed: the Teen Activity Goup (TAG) began to organize dances and took on the upkeep of the basketball court.
 - ◆ Women’s Club hosted a successful Craft Sale with over 20 crafters participating.
 - ◆ Activities held a Halloween Party for children and a Halloween Dance for adults.
 - ◆ The Fireworks Committee produced and sold the annual Lake Calendars.
 - ◆ The Fish Committee added the following stock to the lake:
 - * 30 pounds of minnows
 - * 20 pounds of shiners
 - * 100 Walleye
 - * 300 Catfish
 - * 177 Bluegills

Lake Life

Lee Duncan

Fall color

We had some of the best fall color at the lake that we've had in several years. This was due to a fortuitous timing of weather conditions over the growing season.

There are three factors which cause the changing color of leaves in the fall:

First is the continual, predictable change of the length of day and night. As the earth orbits, the sun's apparent height in the sky changes just a bit each day. The earth's axis of rotation is canted 23.5 degrees to the orbital plane and is the cause of our four seasons. As the nights get longer and cooler, the veins that carry nutrients into and out of each leaf begin to be closed off by a layer of cells at its base. Once this layer is complete, the leaf is ready to drop.

Next is the pigments contained in each leaf. Most of us know that leaves are green in color because of the chlorophyll contained. This is the substance which allows the leaf to manufacture sugars using energy received from sunlight, a process known as photosynthesis. But each leaf also contains other red and yellow pigments called anthocyanin and carotenoids, which come to the foreground when chlorophyll production ceases. Fall colors differ from tree to tree and from leaf to leaf due to the varying levels of anthocyanin and/or carotenoids in each.

Continued from page 22

Lastly, and most variable of course, is the weather. This year we had favorable conditions for a spectacular fall season. We had a warm spring with plenty of moisture, and a not-too-hot summer with adequate rain. This was followed by a drier autumn with warm days and cool but not freezing nights. Perfect for producing brilliant colors!

It's been a tough year in a lot of ways, but I think we can agree that we've been lucky to have Lake Lorelei as a haven. The wonderful autumn colors were just another reminder of the good things in life!

Letter to the Editor

It is with a heavy heart that we say goodbye to our friends and neighbors at Lake Lorelei. The 23 years living here have been some of the most wonderful times of our lives. How lucky we have been that life here was so great, but it makes saying goodbye so hard. We have to be brave enough to say goodbye and feel life will reward us with a new hello.

Although we have had MANY great friends and neighbors, we would like to say thanks to a special few. First would be our very special friends Barb and Jack Siegel, and to the best neighbors anyone could ever have, Marilyn and John Huyck.

A special thanks to the many friends that Gerry has had through the Women's Club. Thanks for sharing your lives and friendships with us.

Keep in touch.

Lake Lorelei Property Association Financial Summary

INCOME & EXPENSE SUMMARY THROUGH SEPTEMBER 2020 MODIFIED CASH BASIS

*NOTE: a detailed complete financial report is always available in the LL Office

Ordinary Income/Expense (Operations)

Income		
	Auto Decals	\$60,585.00
	Boat Inspections / Decals	45,590.00
	Dues & Services	346,803.95
	Initiation Fees	29,346.14
	Mowing & Chipping Fees	7,645.00
	Rents and Misc	82,409.28
Total Income		\$572,379.37
Expense		
	Personnel Expenses	
	Wages	\$131,276.99
	Payroll Taxes	10,207.70
	Employee Expenses	5,414.50
	Subcontractors	10,472.50
	Total Personnel Expenses	157,371.69
	Repairs & Maintenance	210,941.39
	Supplies	14,686.68
	Property Taxes	13,029.72
	Utilities	33,316.80
	Other Expenses (Combined)*	92,762.44
Total Expense		\$522,108.72
Excess cash receipts over disbursements		\$50,270.65

*Total Other Expenses (Combined) includes accounting fees, fuel, insurance, postage, printing, professional fees among others

NOTE: Expenses currently do not reflect depreciation expense

NOTE: Lake Maintenance (Repair & Maintenance) included \$65,800 for the Gladly Run project. These funds expended are Reserve for Capital funds. The expense is out of operational funds due to issuance of checks. Transfer from Reserve For Capital into Main Account has been affected but will not appear as income. The same has occurred with Professional Fees. \$14,978 was paid for engineering review of the bridge over the spillway as professional fees and is found in Other Expenses. The funds expended are Road Assessment Account funds and should have been expended from that account. Instead transfer of funds was made.

ROAD ASSESSMENT ACCOUNT THROUGH 30 SEPTEMBER 2020		
Beginning Balance		\$244,459.25
Road Assessment Collected ¹		70,481.31
Subtotal		314,940.56
Expenditures		
Paving Contractor		0.00
Maintenance ²		6,987.60
Transfer to Ops Labor & Material ³		0.00
Total Expenditures		6,987.60
Ending Balance (as of 31 March)		\$307,952.96

¹ includes building permit collections and Rumpke contribution

²For expenses in support of road repair (culvert replacement, cold patch, salt, etc.)

³For labor or materials dispensed from main account.

NOTE: Beginning balance begins 29 Dec 2018

NOTE: \$102,563.71 in Republic money market fund.
