Volunteer Committee

Volunteer Saturday in February had a turnout of 12 committed volunteers with the purpose of reclaiming the pond dam. Armed with cutting equipment of one form or another and gloves, we marched into the debris hoping we didn't run into snakes! The goal was to clear out the debris and lift the canopy of trees along the dam, so that when the time came to treat the invasive Chinese Tallows, there will be easy access. For those concerned about using herbicides around our pond, be assured that it will be applied with the upmost care to safeguard the water and surroundings and will be applied by an individual with career experience in this area.

In our enthusiasm we accomplished more than our goal for the day.... moving around to the rear of the pond gathering fallen limbs and trash for removal. The process of restoring the pond dam, and the pond in general...will take many months. It will also need to be maintained over the years.

It is a big job, yet the best way to eat an elephant is one bite at a time. (I may have said this before... it is one of my favorite sayings) This is a huge project, and we are taking our bites. All who have the desire to help are encouraged to join us as many hands make the work easier, faster, and fun.

Our neighborhood is a unique and special place. May we all be united to preserve and guard what we have, as it is not guaranteed to always be there.

Our Volunteer Meetings are the first Tues of each month at 6PM in the Civic Center. Volunteer Saturday is the Saturday that follows our meeting. If you would like to be included on the Volunteer Email list for updates and plans, please call the CCMA office.

May peace reign in our Cove.

God Bless All

P.S. Found no snakes

Bring your document(s) from the school and have a CCMA Board member sign off on them. Watch updates on Facebook Cypress Cove Neighborhood page or call the office 830-885-7791 or 830-885-2235.

Deed Restriction Committee

The DRC meeting is on March 18, at 6:30 pm, at the Civic Center. The purpose and goal of our committee is to help improve and create a neighborhood that everyone respects. We are all part of this amazing neighborhood, working together to make it a place where we all can be proud to call home. Our neighbors can always access the CCMA website, if you feel you have an issue that needs attention. Our deed restrictions are pretty simple: maintain your own property and if you keep open lines of communication with your neighbors there shouldn't be any issues. If anyone would like to join, please contact the CCMA office.
